

# Avaplay® GameDiary

Capture the Experience

Improve your Game

It's your Season™

It's your Season™

## A Season's Story

From the first practice through the final playoff game, GameDiary is your electronic partner in telling the story of your sport season.

Collect photos, video clips, and MP3's for each game. Personalize your media with audio and fun sportscaster clips. Add game notes and key statistics to enhance your season's story and help you understand and improve performance. Print a monthly calendar that includes your game and practice schedule.

## GameDiary Features

- ▶ **Game Notebook:** Maintain a multimedia record of your season
  - **Schedule/Calendar:** Build your season's game schedule
  - **Game Notes:** Create a personal diary of game notes
  - **Scrapbook:** Collect photos, videos, MP3's and news clippings
  - **Sportscaster Clips:** Add voiceovers to your scrapbook items
  - **Statistics:** Game statistics designed for your season's sport
  - **Player Profile:** Create a personal resume for recruitment
  - **Sports Card:** Create your own customized sports player card
- ▶ **Reports:** Game summaries, statistics, schedule, more...
- ▶ **Seasons:** Create a season for any player, any sport
- ▶ **Share Seasons:** Email your Seasons to other GameDiary users
- ▶ **Avaplay.com:** Online support, sports info, more...

## The Next Generation Sports Scrapbook

Unlike an old-fashioned scrapbook or today's photo album software, GameDiary creates a unique multimedia record of an athlete's sports experience. Feature for feature, GameDiary is the clear winner!

## The Power of Seasons

GameDiary uses the concept of a Season to organize and store your pictures and other game data. Create a season for any player in any sport. Open your Seasons just as you would a file or document. Everyone in the family can use GameDiary by simply creating their own Season!

Don't let your sports experience pass you by! Go online today at [www.avaplay.com](http://www.avaplay.com) to order GameDiary.

Requires: Windows 98, ME, 2000, XP; 233 Mhz processor or greater; 32 MB RAM; 50 MB free disk space; High Color display, Mouse.
